U.S. Government Submitting Completed 4-page Paper Procedures

I. Login to your CMT account

Login to your CMT account using the following link to submit to the conference, Conference Management Toolkit - Login or copy and paste this link into your search bar: https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FISOC2026

II. Editing your submission and updating your conflicts after you have submitted

1) In the Author Console, you will see a list of all your submissions.
2) Find the submission you want to change.
3) To make changes to a submission, click "Edit Submission" on the right side of your submission.

III. Uploading a new PDF document

You must delete your old file before uploading a new one. The system only allows one file.

1) To delete your previous file, select the X next to the previous submission file.

FILES

You can upload from 1 to 3 files. Maximum file size is 10 Mb. We accept **doc, docx, pdf** formats.

Combustion Kinetics Demo Submission.pdf (16 Kb, 8/7/2025, 2:12:38 PM) ✖

2) To upload your updated submission, you can either drag your file into the gray box or select the "Upload from computer" button. Ensure your final submission file is in PDF format under 10 Megabytes.

FILES

You can upload from 1 to 1 files. Maximum file size is 10 Mb. We accept **pdf** formats.

⊕ Upload from Computer

3) Select "Save Changes" at the bottom of your screen, this ensures that any changes you have made to your submission are updated.

Save changes

After you have completed the process of uploading your 4-page submission file, the CI will perform a technical check and place your submission in the colloquium selected during the submission process for evaluation.
